## SUPPLEMENTAL DECLARATION FOR REISSUE PATENT APPLICATION

## DECLARATION OF SOLE INVENTOR

As a below-named inventor, I hereby declare that my residence, post office address and citizenship are as stated below next to my name; I believe that I am the original, first and sole inventor of the subject matter which is claimed and for which a re-issue of Patent No. 5,752,251 (hereinafter, "the '521 patent") is sought on the invention entitled above, the specification of which was filed on the date listed above as with the Application Serial Number listed above.

I believe that the '521 patent is partly inoperative by reason of said patent claiming less than I had a right to claim in said patent. There are seven (7) claims in the '521 patent. Claim 1 is the only independent claim. Claims 1-7 are method claims. During prosecution of the '521 patent, the prosecuting attorney failed to present claims to other statutory categories of invention, including claims directed to additional methods and an apparatus. This error is corrected by new claims 58-74. All errors being corrected in this reissue application arose without any deceptive intent on my part.

## REVIEW AND UNDERSTOOD CLAUSE

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment(s). I acknowledge the duty to disclose information which is material to the patentability of this application in accordance with *Title 37, Code of Federal Regulations, §1.56(a)*.

## WILLFUL FALSE STATEMENT CLAUSE

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine, or imprisonment, or both, under *Section 1001 Title 18 of the United States Code*, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
